RSVP REQUIRED

HySecurity hosts this intensive, hands-on, THREE day technical training seminar on March 10th – 12th at our manufacturing plant in Kent, WA (near Seattle-Tacoma airport). The training will include slide, swing, barrier arm, and vertical lift operator installation, troubleshooting and maintenance through lecture, Q&A, and extensive hands on training. Attendees leave with significant confidence and skills in technically supporting, maintaining, and installing HySecurity premium gate operators.

Training starts at 8:00 AM, Tuesday, March 10th and ends at 5:00 PM, Thursday, March 12th. Please do not book returning flights earlier than 7:00PM on March 12th as you will be required to attend the entire training to receive your certificate of attendance. For your convenience, we have reserved a block of rooms at a hotel near our manufacturing plant. The cost to you is \$79 per night. HySecurity provides transportation between the hotel and plant, continental breakfasts, lunches, and Tuesday night's dinner.

Space is limited to 80 attendees. Please RSVP early to reserve your spot at this free seminar. Complete page 2 of this announcement and fax back to 888-321-9946 to join us for a greatly entertaining, thoroughly involving, and powerfully skill building technical training seminar!

New!
