Master Halco Donates Fence Material to Homes for Our Troops

ORANGE, Calif. — Master Halco was privileged to donate fencing materials to help complete specialty homes built for wounded soldiers now living in the San Antonio, TX area. For three days, hundreds of volunteers and professional trades people worked together to build the houses. Al Franz Fence Co. installed the fence materials that were provided by Master Halco.

Homes for Our Troops, a nonprofit organization based in Taunton, Mass., helps those who have selflessly given to our country and have returned home with serious disabilities and injuries. By raising donations of money, building materials and professional labor, Homes for Our Troops coordinates the process of building a home that provides maximum freedom of movement and the ability to live more independently.

Homes for Our Troops works to ensure that the home is provided at no cost to the recipient.

Al Franz Fence and Master Halco provided labor and materials for this house built for a soldier injured in Iraq.

Since 1961, Orange, California based Master Halco has served professional fencing contractors and quality building materials retailers. Branch service centers, distribution centers, and manufacturing plants are strategically located across the U.S. and Canada.
