*-- Announces Sale to Versa Capital Management, Inc. --
-- Secures \$85 million in Financing --
-- Business as Usual for Customers and Partners --*

MARCH 16, 2008 – Pennsauken, NJ - Shapes/Arch Holdings, LLC and its businesses Aluminum Shapes LLC, Delair LLC, Ultra Hardware LLC and Accu-Weld LLC (collectively, the “Company”), a leading supplier of a range of industrial and building products based in Pennsauken, New Jersey, today announced that it has filed a petition for reorganization under Chapter 11 of title 11 of the U.S. Code, and has simultaneously filed a Plan of Reorganization in order to complete its restructuring on an expedited basis. The Company anticipates emerging from the reorganization process in the second quarter owned by an affiliate of Versa Capital Management, Inc., a Philadelphia-based private equity investment firm, in exchange for their funding of the plan of reorganization.

The Company has received commitments for \$85 million in debtor-in-possession financing arranged by Versa Capital. This financing enables the Company to continue to operate in normal course and without interruption through the closing of the transaction and plan confirmation.

"We intend to use this transaction to position the Company for future success in all operating environments, including this current one. We will continue to provide the same high-quality products and support to our customers, and our customers, employees and suppliers can be assured that we will be operating business as usual during this transition," said Steven S. Grabell, the Company's Chief Executive Officer. "We appreciate the support of Versa Capital, and look forward to working with them to achieve swift confirmation and consummation of our plan."
